Health Promotion Board eTeens for Secondary Schools

Dear Parent/Guardian,

The Health Promotion Board (HPB), in collaboration with the Ministry of Health (MOH) and the Ministry of Education (MOE), conducts a programme titled Empowered Teens (eTeens) to educate Secondary 3 students about preventing STI (Sexually Transmitted Infections)/ HIV (Human Immunodeficiency Virus). The programme provides information on the transmission and prevention of STIs/HIV and helps guide students to make good life choices to avoid risky sexual behaviors.

- 2. The following topics are taught:
 - a) Sexually transmitted infectious diseases (STIs and HIV): what it is, how it spreads, how to prevent infection mainly through ABC (abstinence, being faithful, correct, and consistent condom use), consequences and impact
 - b) Skills for decision-making, assertiveness, negotiation to say 'no' to peer pressure
 - c) Managing relationships and risky situations in a healthy way
- 3. The programme includes a mass talk and a classroom-based lesson:
 - a) The mass talk includes a presentation on different scenarios involving teenagers and responsible decision-making to respect the boundaries of self and others.
 - b) The classroom-based lesson by an MOE Sexuality Education trained (SEd) teacher reinforces skills of responsible decision-making, negotiation and assertiveness, based on the values which students have been brought up with, in the family and the community. The training for teachers who conduct the classroom-based lesson is provided by MOE.

4. Additional information is available on the MOE website <u>https://go.gov.sg/moe-sexuality-education.</u>

5. If you <u>do not</u> wish your child/ward to attend this programme, please complete the opt-out form on page 2 of this document. For further clarifications about this programme, please email us at <u>Eileen Chee@hpb.gov.sg</u> and <u>Shaheerah Kamas@hpb.gov.sg</u>

Yours Sincerely,

/ Prom

Robin Lee (Mr) Deputy Director Communicable Diseases Preventive Health Programmes and Rewards Division, HPB
